

Membership Suspension Form

I, _____, am suspending my gym membership for a monthly fee of \$10 effective

- From _____ to _____
- Open ended beginning _____

Where specific dates are given, I am aware that my membership will resume as normal and my previous membership rates will again apply once the end date of the suspension has passed unless I notify Westside otherwise.

In the case of an open ended suspension, I know that the suspension will remain intact until I notify Westside of a want to resume my membership.

Should I decide to visit the gym while my membership is suspended, I am aware that I am required to pay a guest fee at the time of my visit.

Reason for suspension:

Negative account balances must be paid at the time of suspension. Partial monthly dues will not be refunded. Note you must autopay suspension fee via credit card or bank draft. To avoid autopay you must pay suspension fees in advance.
